MORE ABOUT US

St. Timothy Anglican Divinity College has been created on 3rd January 2019 to equip servants of God with skills to transform the society. It admits both local and international students. Currently we have admitted students from Kenya, DRC Congo, Madagascar and Tanzania undertaking Diploma in Sacred Ministries (Theology & Development) and the college is accredited by St. Paul's University.

The overall desire is to have a holistic approach of the mission work by starting other programs along with the theological course to transform the world. Our courses are long term, Short term and empowerment

Programs.

Our Long-term projection is to have a fully-fledged university rich in all facilities to transform the world positively for God's glory
